To the Editors of the Christian Register,
Genl^l—

I received yesterday a note from Rev. John Parkman, dated Dec. 8th, requesting me to send, ~~for your~~ ⁱⁿ ~~care~~ inspection, certain letters which I have ~~recently~~ received from him, relating to the course of the Register ~~respecting the sending of Thomas Lins from Boston into Slavery.~~ ^{in the matter of sending} I cheerfully comply with his request, and ~~send~~ ^{enclose} four letters from W. P. to myself, one of which ~~I have sent you before.~~ ^{you have had} I also ~~send a copy of one letter which I wrote to him, & would send copies of the others if I had made copies of them. I am entirely willing that Mr. P. should send you the originals. I hope I have no purpose to subserve by suppressing the truth. — As I keep a copy of these letters of Mr. Parkman's, I will thank you to preserve these letters~~ ^{when done with, please return them to me} ~~carefully, and return them to me, when you have done with them, addressed to 21 Cornhill.~~

I am, Yours, &c,

Saml. May, Jr.
